## Description

Nha Trang, known for its warm sun, fine sandy beaches, and stunning islands, is a rewarding destination for any traveler. Your island tour begins at **Cau Da Tourist Port**, where you'll board a wooden motorboat to explore the bay. The first stop is **Tri Nguyen Aquarium** on Hon Mieu, intriguingly designed to resemble a shipwreck. The tour then takes you to a nearby fishing village on the island's far side, where you can enjoy unique experiences such as hand-paddling a traditional basket boat or strolling leisurely through the village. For the more adventurous, there's an opportunity to try **parasailing** from a nearby pontoon.

From Hon Mieu, you'll continue your journey by motorboat to **Hon Tam Island**, where you can relax on the beach and take in the stunning views of Nha Trang Bay. There's also an opportunity to snorkel and explore the vibrant coral reefs in the crystal-clear waters, with additional water sports available upon request. In the late afternoon, you'll return by motorboat to the port, where your dedicated driver will be waiting to transport you back to your hotel.
